

Always Fight for **QUALITY**,
whether giving or Receiving **TITANIUM**.

R.V. Metal Started its business in the year 2011. We have successfully achieved an eminent position in the industry. We provide wide range of kitchen basket and kitchen accessories in Titanium Brand. Year by year we continue adding new product in our product line. Our product range manufactured using high grade raw material such as 304 stainless steel, 202 stainless steel, and plastic and high grade cold rolled steel. Cost effective rates and Quality assurance are the few of the factors that make our customers love our Products. The Company is Always evolving along with the latest trend in the market to mould them in your customer's needs. we are proud to serve you and assure the best experience ever.

Mission

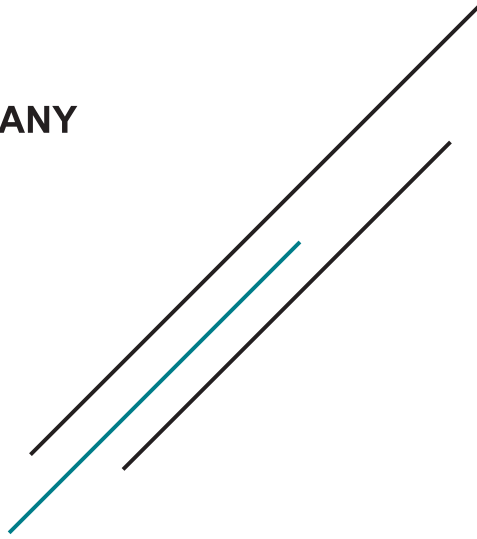

Delighting our business Partners and customers with wide range of premium quality products, value for money and most importantly timely service, is our mission for the time to come.

Vision

Our vision is to provide one stop solution for any Hardware & Kitchen Fitting Products offer the best quality Service in respect to premium quality products, best price and on time service.

The Company looks forward its business partner and customers for their continuous feedback, support and cooperation throughout the journey which will further encourage us to keep enhancing our quality & Service.

AN ISO 9001 : 2015 CERTIFIED COMPANY
